

We are so excited that you want to help get additional orphans sponsored! Here are some tips to help you as you share.

- Start with prayer.
Pray for God to prepare the hearts of those with whom you will be sharing. Ask God to lead you to the right person for this child.

- Share your sponsorship story.
Why did you become a sponsor?
Share letters from your child and show off those photos you have received.
Have you traveled with us on a GO Team and personally met your child?
How has sponsorship changed your point of view and your life?

- Share about Horizon International.

- It's okay to ask them to sponsor. It really is that simple.
Ask... Would you like to sponsor this child today?
Wait... After you ask, stop talking. Give them some time to carefully consider the question and to respond.
Respond... No matter what your friend's answer, handle this time with grace. Thank them for their time and then move forward.
 - If they say no, make sure they know that sponsoring is a commitment you have made and if they change their minds in the future they can contact you to move forward.
 - If they aren't ready to commit, let them know that there are many children in need of sponsorship. When the time is right all they need to do is contact you for help.
 - If their answer is yes, thank them for choosing to sponsor!
